## Engine 63-I Assisted Lampeter Fire Company With House Fire

The LFC would like extend a sincere thank you to Lancaster Door Service for stopping by the station and replacing our worn door seals in preparation for Winter. We are truly grateful to have partners in the community that help us to help our citizens.

On September 16<sup>th</sup> at 18:30 hours, Engine 63-I was dispatched as part of the 2nd alarm assignment to the 2100 block of South View Road in West Lampeter Township for a house fire. This address is in Lampeter Fire Company's first due area. Their units were already on location and engaged in a serious fire fight.

Engine 63-I responded with six members and on arrival, our crew was immediately pressed into action on the second floor of the home. First-in companies did an outstanding job of knocking down a large volume of fire on multiple levels of the house. Our crew was used as the primary relief for those companies. We opened up several void spaces and found pockets of fire and smoldering debris throughout the area above and adjacent to the garage.

Once our air cylinders were empty, our crew was relieved by later arriving companies and we were cycled through a break period. Our crew then assisted Engine 54-3 with re-packing 900' of 5" supply hose.

Later into the incident, our crew was reassigned to the second floor to finish up overhauling the fire area. Engine 63-I returned to quarters after 23:30 hours. Station 63 answered one additional call during this time which was a fire alarm at a local hotel. We were assisted on that call by the Witmer FD.

## LFC Holds Annual Fall Training Burn Day

West Chester, PA – On Saturday, September 26<sup>th</sup> the LFC along with members from Witmer, Lancaster Township and Lampeter Fire Companies participated in live fire evolutions at West Chester Fire Department's training facility.

Crews spent the day attacking fires on two floors and running through rapid intervention scenarios. The LFC is appreciative of those members who attended and for Ronks and Bird-In-Hand Fire Companies who were willing to cover our district while we were training.

## Congratulations to our Raffle Winners and Thank you to our Sponsors!

We'd like to take moment and congratulate our two raffle winners on receiving their prizes. The first raffle was for a Traeger Pro 780 Grill donated to us by Lancaster BBQ Supply.

The second raffle was for a Wicked Ridge Invader 400 Crossbow which was sponsored by Lancaster Archery Supply.

We sincerely appreciate these business partners donating these items to be raffled to help raise money for our organization!

The Lafayette Fire Company is a 501c3 Non-Profit Organization.

## LFC Member Spotlight

Monday Member of the Week: Firefighter Jordan Adams  
Jordan is a student at Thaddeus Stevens College of Technology and runs with the LFC when he is at school. However, Jordan Resides in Chester County and also serves with the Upper Pottsgrove Twp. Fire Co. as a Lieutenant and with the Norco Fire Company as a Firefighter. Jordan is currently in the IT Program at TSCOT.

A huge thank you to Jordan for all of his dedication to school, our department, our community, and his other affiliated organizations!
